Successful applicants will be notified and asked to pay by either BACS or cheque. If ticket applications exceed the Club's allocation, there will be a ballot.

Please note that the sale of tickets to hospitality companies, or on the black market is prohibited. Members of WRUFC found "trading" International Tickets will receive no allocation of tickets in the future and maybe expelled from the Club membership.

All tickets are identifiable, recorded and can be traced by the RFU and Wharfedale RUFC. The Club can also be penalised by the RFU, and I'm sure as a loyal and supportive member, you would wish that on the Club.

The Wharfedale RUFC Committee reserve the right to withdraw a Members right to apply for International Tickets, if the member is found to be using their allocation improperly or fail to supply the appropriate payment in time.

With all the administration work now involved with applying and processing International Tickets, the committee have found it necessary to charge a small administration fee with each application.

*All tickets are issued subject to the terms and conditions of the RFU and Wharfedale RUFC, I confirm that the tickets applied for, are for me and my personal use, and that my subscription to Wharfedale RUFC is fully paid for the season 2018-19.*
