Leeds Tykes were formed as Headingley RFC in 1878 and that was their name until 1992. The changes of name - Headingley, Leeds, Leeds Carnegie, Yorkshire Carnegie and twice called Leeds Tykes (as they are now) -are of little interest, but some of the former players' names are legendary and include our own John Spencer and Richard Slater, John (a former MP for Dewsbury) and Nick Whitfield (father of Wharfedale's David), Sir Ian McGeechan, who played for the Club for 15 years, Chris Rea, Peter Thompson (17 England caps on the wing), Peter Squires (also a Yorkshire 1st team cricketer), Peter Johnston, Bob Umbers, Oliver Grieveson and of course Peter Winterbottom. He played 58 times for England and 7 times for the Lions and captained Harlequins, a truly great flanker.

Peter says Headingley was a very social Club and was well run. Sir Ian says "In any rugby Club it is the people that make it. People with vision and a passion that took Headingley from pre-world war days through to be one of the biggest Clubs in the country. It's the people that I will be forever grateful for, first class people that created an environment you could enjoy. You could play rugby with a smile on your face and enjoy their company."

To read these observations from a six times Lions tourist says so much about the Club which we

are playing today. Peter Winterbottom's father John, a great friend of the late Jim Caygill, was a dedicated servant of Headingley. He joined in 1950, became Chairman, then President in the Centenary Year in 1978 and was involved in the creation of the new Leeds Club after the merger with Roundhay in 1992. A number who worked at Carnegie such as Peter Ventre and Bernard White contributed a great deal to the Club in these years. Other great men involved with the original Headingley Club were Air Chief Marshal Sir Augustus Walker (RFU President 1965-66 and an international referee) and Dick Kingswell (RFU President 1972-73). Dick was also Club captain in 1936-37, served on the committee for over 40 years and was Club President in 1968-69. It was due to him that both Whitfield's played for the Club and he played a huge part in my professional career.

The very recent death of Terry Donovan means that that strong family connection has come to an end, as his brother predeceased him. He had been ill for some time. Our condolences to Liz and his children.

It gives us immense pleasure to welcome the deserved League leaders today and we wish them well in their attempt to go back to previous heights. We need a top Club from Yorkshire to figure prominently at national level.

# VALUABLE WHEREVER HE PLAYS - TOM DARWIN TELLS US MORE

#### How long have you been playing rugby?

I have been playing here since Under 7's but was familiar with a rugby ball before then. I'm following in my dad's footsteps, who also played juniors and seniors here.

#### Do you have a brother or sister?

Yes; a sister Gemma, a regular supporter like my parents.

#### Where did you go to school?

I started off at Kirkby Malham, then moved to Settle College. I am now studying product design at Northumbria University.

#### Who have been your biggest influences?

My parents. They've driven me all over the country for games and training. I cannot be too grateful for that support.

#### Do you like any other sports?

I am very sporty and happy playing anything. I have played cricket most of my life and have started to play golf, but that is definitely more just for fun.

#### Have you a favourite holiday destination?

Yes, Majorca. I've been going every year since I was little.

I also eniov skiing though, so would go to the slopes at any opportunity.

#### Have you any favourite TV programmes?

Yes, Richard Hammond's Workshop and Top Gear.

#### Name three of your heroes whom you would like to invite to vour home.

A designer called Jony Ive who designed most Apple products. I'd like some advice from him. The other two I'd invite would be Peter Kay (what a laugh!) and rugby international Henry Slade to pick his brains.

#### Anything you dislike?

Jeremy Vine's radio show probably annoys me the most everything about it.

#### A SAD PERIOD FOR RUGBY SUPPORTERS

Amongst the international rugby players such as David Duckham, Clive Rowlands, David Watkins, Ken Scotland, Ben Risman, Paul Randall, JPR Williams and Barry John who have died in 2023-24 were Peter Dixon and Mike Westnn.

Cumbrian-born Peter was the son of a one-time Manager of what was then Martins' Bank in Cross Hills and Mike, who played for Durham City, was under-rated except in New Zealand but he contributed impressively to the North West Counties' memorable win over the 1972 All Blacks, as well as to the North's famous win over the All Blacks at Otley in 1979.

#### **ENGLAND V WALES**

A close encounter with the home side just prevailing. What saddened me, however, was the fact that the ball was only in play for just over 36 minutes, giving paying customers poor value for money.

Some more facts: Nearly 18 and a half minutes were spent waiting for scrums to take place, just under 11 minutes waiting for penalties and conversions to be taken, 10 minutes waiting for line outs to be formed and the list goes on. An 80 minute match lasted for 96 minutes and 38 seconds! We spectators are being taken for a ride. Thanks for this information previously posted on our website.

# WHARFEDALE MINIS & JUNIORS

# **JUNIORS**

This season we have moved from the minis to the junior section and started sessions of mid-week training, which all the boys have fully embraced.

We have noticed an increase in physicality and improvement in the tackling/organisation of the opposition this season. This, initially, came as a bit of a shock to some players as previously they have broken defensive lines at will, but now have had to play more as a team to stretch their opponents and open up gaps in attack. We have focussed on this area in training, and we are now seeing the benefits of the boy's hard work.

We started the season well with some good performances and results, even turning over Ripon away (who have historically beaten us). November and December saw us have a tough time facing stiff opposition in the form of our nemesis -Harrogate- at home and away, and the performances and results suffered. We then had six weeks without a game, due to Christmas and the bad weather. However it has been pleasing to see the boys persevere with training hard and we have seen a massive improvement in the boys' skills, evidenced with some great recent performances. Our recent victory against Blackburn was a great team effort and really showed the improvement made by the group this season.

We're fortunate to have 25 players registered with our group and all have improved throughout the season and played a part in its success. Some are moving on to pastures new next season and this coupled with the move to 15 aside next season means we are still open to new players joining.

We would like to give a 'big shout out' to Matt Wareing who, sadly, will be leaving the group at the end of the season. Matt has coached this group for the last seven seasons, doing the first three seasons on his own! A big Thank You Matt from all of the players, parents and coaches.

# **MATCH SPONSOR**

Byworth Boilers, a private limited company, are based in Parkwood Street, Keighley and run by the Baldwins and their team. All the reviews indicate that it is a superbly run business with excellent training facilities and very

knowledgeable instructors. Many who

attend their courses have had no or very little previous experience. It seems that everything from their factory tours and catering is very much appreciated.

We thank the firm most sincerely for their continuing support of our Club and not least for the total commitment on and off the field over many years of Rob Baldwin and his dad. We welcome them today as well as fellow Directors Matthew Child, Jason Atkinson and Gavin Hindle. One can never overstate the debt we nee to firms such as this one who support us in good times, such as now, and in less good.

# **LEEDS MEMORIES**

It's almost 30 years since another highflying Leeds team travelled to the Avenue to play in the then National Division 3.

September 1996 saw a star-studded Leeds team unbeaten and tied on points with Exeter. Part of the programme was written in Welsh (tongue in cheek), a reference to the two Welsh internationals in the Leeds ranks, Colin Stephens and player coach Philip Davies. Tongan international Seteki Tuipolutu was in the centre. Wharfedale had lost the previous week to Harrogate and Stephens put Leeds into a 9-0 lead via two penalties and a drop goal. The visitors, however, hadn't reckoned with the indomitable spirit and "hwyl" of the Greens. Tuipolutu looked destined to score twice before being smashed early by Andy Hodgson and later by Russ Buckroyd. It would have been the match-winning try and wasn't the end of Buckroyd's swashbuckling performance. Roared on by the crowd, he scored just before half-time and the tide began to turn. Leeds' Gerry Ainscough put Leeds ahead but it was then Hedley Verity's turn to score, first with a charge down then after an explosive break. That second try for him gave Wharfedale the lead. Buckrovd's 35 vard drop goal clinched a memorable 23-18 victory.

# SEDBERGH

Sedbergh School has much to be pleased about in various sports not least by the emergence of Philip Dowson as coach at Northamoton.

We must agree with him when he says "We need to change the optics of the sport and show how much fun it is to play and to watch." I believe that Wharfedale and Leeds RUFC's are doing just

that, not least by their expansive style of play. At international level Ireland and France lead the SEDBERGH wav.

#### WHERE WOULD WE BE WITHOUT THEM?

Due to a last-minute reshuffle of referees last Saturday, the Foresters were without a match official at short notice. We must thank Graham Summersgill for his willingness to stand in at short notice and referee the game. When I say short notice, he was pulled away from his Yorkshire pudding at The Fountaine just before kick off. Thank you Graham: your efforts were appreciated by all at this club and also by the Tynedale players who had travelled down for the fixture.

Graham's efforts are regrettably set against a deteriorating national picture of abuse and hostility towards match officials. This permeates the game from international level downwards. Recent indications are that the RFU are taking a much stronger line against offenders. How soon before we see points deductions for clubs?

We all have a role to play in maintaining high standards. We are Wharfedale; let us make sure we're on top of our game.

Your 200 CLUB draw rolls on into another season. It's a trickle of income which slowly accumulates over time and helps towards the upgrade of facilities, such as pending improvements to the players' changing rooms. But like all games of chance "you have to be in it to win it" so please consider joining the 200 CLUB squad this season and who knows, you may get picked. On the field of play the rules of the oval ball game may be ever changing but our quarterly draw format remains just the same. The subscription is still only
